

The Abba Medley

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul.

Just one look and I can hear a bell ring
One more look and I forget everything, Who-o-o-oh!

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

Yes, I've been brokenhearted,
Blue since the day we parted
Why why, did I ever let you go?
Mamma mia, now I really know,
My my, I could never let you go.

I work all night, I work all day, to pay the bills I have to pay
Ain't it sad?
And still there never seems to be a single penny left for me
That's too bad
In my dreams I have a plan
If I got me a wealthy man I wouldn't have to work at all,
I'd fool around and have a ball

Money, money, money
Must be funny, in a rich man's world.
Money, money, money
Always sunny, in a rich man's world
Aah-aaaah All the things I could do
If I had a little money
It's a rich man's world
It's a rich man's world!

Where are those happy days, they seem so hard to find
I tried to reach for you, but you have closed your mind.
Whatever happened to our love?
I wish I understood
It used to be so nice, it used to be so good.

So when you're near me, darling can't you hear me - SOS!
The love you gave me, nothing else can save me - SOS!
When you're gone How can I even try to go on?
When you're gone
Though I try how can I carry on?

Mother says I was a dancer before I could walk
Mm mm she says I began to sing long before I could talk
And I've often wondered, how did it all start?
Who found out that nothing can capture our heart
Like a melody can? Well, whoever it was, I'm a fan.

So I say - Thank you for the music, the songs I'm singing.
Thanks for all the joy they're bringing
Who can live without it? I ask in all honesty, What would life be?
Without a song or a dance what are we?
So I say thank you for the music - For giving it to me

My, my, at Waterloo Napoleon did surrender
Oh yeah, and I have met my destiny in quite a similar way.
The history book on the shelf is always repeating itself
Waterloo - I was defeated, you won the war
Waterloo - Promise to love you for ever more
Waterloo - Couldn't escape if I wanted to
Waterloo - Knowing my fate is to be with you
Whoa whoa whoa whoa Waterloo –
Finally facing my Waterloo
Waterloo - Finally facing my Waterloo

Ooh You can dance, you can jive, having the time of your life
Ooh... see that girl, watch that scene, dig in the Dancing Queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing,
You come to look for a King.
Anybody could be that guy
Night is young and the music's high.
With a bit of rock music, everything is fine,
You're in the mood for a dance.
And when you get the chance...

You are the Dancing Queen,
Young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine oh yeah!
You can dance, you can jive,
Having the time of your life
Ooh... see that girl, watch that scene,
Diggin' the Dancing Queen
Diggin' the Dancing Queen
Diggin' the Dancing Queen!
